SC01-RS68-S

SLIDE RAIL KIT FOR SERVER CHASSIS

PRODUCT FEATURES:

- Telescopic design enabling smooth extension of equipment up to 660 mm
- Adjustable mounting depth from 590 to 880 mm, ensuring compatibility with a wide range of rack cabinets and server enclosures
- High static load capacity of up to 90 kg for safe support of heavy IT equipment
- Hook-mount installation system for quick and convenient assembly
- Space-saving design occupying only 1U of rack space
- Stable equipment support during servicing and maintenance operations
- Improved access to installed equipment thanks to full extension beyond the cabinet frame
- Versatile use in server rooms, data centers, and ICT infrastructure environments
- Durable galvanized steel construction providing corrosion resistance and long service life
- Robust design ensuring long-term reliability and operational safet

PRODUCT SPECIFICATION:

Rail type	Telescopic
Material	Galvanized steel
ICT height	1 U
Type of mounting	Hook
Extension length	660 mm
Mounting depth range	from 590 up to 880 mm
Colour	Silver
Maximum static load	90 kg
Dimensions	590 x 9,5 x 40 mm
Weight	2,8 kg

EAN-13: 5901969448504
CAT. NO: SC01-RS68-S
